Invite Annette to next event, you'll be glad you did!

Annette is a Christian speaker and Biblical Counselor. She speaks for large and small groups across the nation. She is a bible study teacher and her focus is mainly toward women but also speaks to youth.

Annette has a music background and loves to share her faith through music whenever she is asked.

Annette has a message of hope for those who have suffered from sexual abuse, divorce, anorexia, drunkenness and drug use.

Annette teaches 3 steps that she firmly believes in and keeps them readily available for all to use. Her 3 steps explain how God started her on a path to be healthier and the boundaries she had to set for a relationship to bloom.

Practice for Life

Let's get together soon! We'll laugh, We'll cry, until it's time to say goodbye. Hope to see you at your next event!

Annette came from Rock-n-Roll to Rock-of-Ages. Singing was the only thing she knew. From the age of 14 in and out of detention homes and foster homes, Annette came to a point where rock music became her life. Only to find that a host of other things (drug abuse, drunkenness, and anorexia) crept into her lifestyle. Along with the sexual abuse that she experienced growing up with, Annette's experiences sent her on a path of sinful destruction. Until God met with her and changed her forever! Annette is a hairstylist by trade which has given her many years of learning how to care for others. She is a Biblical Counselor and Bible Study Teacher and loves to watch how God's word can transform the lives of others.

Annette has a unique way to get your attention, while clearly relaying the message that God has put on her heart..

Some of Annette's topics include:

Extreme Make-Over: Discover how turning someone's hair purple, helped introduce her to the Lord and how that experience molded and shaped her into a woman after God's own heart. Putting God's word at the center of her life, was key to learning and hearing His voice. She will have you laughing one minute and crying the next!

3 Ultimate Beauty Secrets: Three secrets the beauty industry doesn't want you to know! How they use to apply make-up and what we do different today. A fun topic for learning trade secrets on the foundation of make-up and hair. Great for a retreat or banquet setting.

Women of Noble Character: Three noble women who changed history. What they did different and how they heard God and followed.

Deborah ~ The Leader

Jael ~ The Courageous

Proverbs 31 Woman ~ The Faithful

It only takes 3!: This topic is a valuable three step plan that addresses steps to take when struggling with a past history of sexual abuse. How ever, Annette is convinced that these steps can and should be used in every area of life.

Let's do it! Let's get together and book your next event. I'm just a phone call away and can't wait to meet you! Until then, Gods blessings to you.
